

# Future of Work Conference

Technology is enabling HR to shape the future of work

23<sup>rd</sup> March 2022

Mark Brinkler – Director HR Transformation

# Workplace challenges

Responding to the pandemic

Redefining the Work Place

Ways of Work

**In addition.....**

# Increasing expectations on HR

75% CEOs expect HR to play a key role in enterprise strategy development and expectation, and 45% believe HRDs are not at this level

# How technology can help HR executives ?

## *4 areas to consider*

- Personalisation
- Move from process to conversation
- Talent and resource sharing
- Enabling partnering to move to the next level

.....focus on organisational success

# Case Study

- Financial Services
- Employees - work anywhere
- HR Transformation journey
- Significant focus on automation
- Basics in place - Shared Services
- Conversational architecture

Thank you.
