

**People agility  
through  
“Digit-ability”**

# People agility through “Digit-ability”

## Impacts

Other skills and organisation for Short-term adoption vs. longer-term,

A deeper integration within teams and employee experiences :

- Viral adoption
- Social learning
- Customised
- Non centralised
- Saas
- On demand
- ....

Vision on the role of Digital HR,  
over the Employee experience

2/3

**Unleashing the power  
of the  
“involved” employee.**

# Unleashing the power of the “involved” employee.

## Impacts

- Extended workforce “Involved” with organisation’s purpose
- “Involved” Beyond their narrow job description.
- “Diverse” is not enough “inclusive” is the goal
- Mapping and addressing representative groups and communities.

**30%**

**Engaging employees in their own development**

Individual budget allocated to employees for their training and development
